Hi Michael,

The Executive Director has not received a request for an extension from the Governor. Therefore, the revocation hearing will proceed on February 28, 2024 as scheduled.

Thanks,

Keisha

Hi Keisha and Alison,

My understanding is that the current scheduled revocation hearing is set for February 28 per our last stipulation. It seems that the Governor still needs more time to prepare a counter proposal.

Would your client be agreeable to a three week continuance to postpone the revocation hearing till March 21, 2024 or later?

Your prompt response is much appreciated, as we would need time to prepare for the hearing scheduled for February 28, 2024.

Have a good day.

Michael
